## Drainage Works

The fence has gone up and the work has started on the new drainage system for the school. I would like to thank Parents/Carers for their co-operation and adaptation to the new systems. The work is scheduled to last for 6 weeks. I will keep Parents/Carers informed with updates as we go through the process. Let's hope for some good weather to speed the work along.

## Squid

sQuid is now live and the children are enjoying the new registration process. I would like to thank you for your prompt registrations. However, if you have not registered please do so as soon as possible or this will impact your child receiving a school dinner in the future. If you have mislaid your registration details please contact the school office and for any registration or technical problems please contact sQuid direct all details on their website: <https://www.squidcard.com/>

To help the process run efficiently we ask all parent/carers to ensure their children are aware of the menu choices each day and what they would like to have for lunch. For your convenience the link for the current Havering Menu is <http://www.haveringcatering.co.uk/schooldata/test-r-j-mitchell-primary/> and the visual menu.

The above links are also our website: <http://www.rjmitchellprimaryschool.com/>

## Termly Learning Conferences

From Monday 27<sup>th</sup> February our Spring Termly Learning Conferences take place. Letters will soon be going out with class dates and times on for Parents/Carers to book a slot.

## Playground Safety

Can I please ask that in the interests of safety that Parents/Carers do not allow their children to cycle or scooter before or after school in the playground. Please can I also ask Parents/Carers to stand and wait at the edge of the playground to allow the classes to move quickly and safely to their playground lining up spaces.

## Assemblies
